

Make “Backing up” easy

A unique offer from Oakleigh combining a simple to use backup programme that just “gets on with the job” using the latest portable high storage device.

Just £97 plus Vat

The Benefits

- Install and forget. The software can be configured to backup all your data, Daily, Weekly (even each time Windows starts), at times that you choose.
- It even backs up Outlook Express, Address Book, Desktop and your Favourites.
- Save letters, pictures, music and much much more with a massive 500Gb of storage.
- Store network files.
- Can be operated manually.
- Take “off site” for security, even backing up those files at home.
- Hot swappable, no need to turn off your computer.
- It takes only 30 minutes typically to fit and set-up (chargeable).

The Cost

The external drive, with a 1 year warranty costs £77

only 20 x 11.5 x 4 cm

Backup Expert costs £20 per user (typically you would only need one but at this price you could purchase one for each computer and ensure that all your colleagues files are backed up as well)

Don't be caught out, this is a small price to pay for the security of knowing you have that valuable data stored somewhere safe.
